

Before Construction

After Construction

Boulevard Avenue Roadway Improvements **Village of Peoria Heights & City of Peoria, Illinois**

Project Scope:

Boulevard Avenue serves as the corporate boundary between the City of Peoria and the Village of Peoria Heights. The City and the Village entered into an intergovernmental agreement to improve Boulevard Avenue from War Memorial Drive to Division Street. The existing roadway lacks storm sewer and curb. As a result, significant erosion has occurred in the adjacent roadside ditch making the area both an eyesore and a safety hazard. The Village of Peoria Heights recognized this and contracted with Hermann & Associates to create a solution to the problem.

Project Elements:

- Topographic surveys
- Boundary surveys & temporary easements
- Horizontal & Vertical Alignment
- Design of closed drainage system
- Widening of street with the addition of curb & gutter
- Addition of Sidewalk
- Pavement Reconstruction
- Driveway Reconstruction
- Coordination & Approvals with the City of Peoria & Peoria Heights

Project Financials:

Funding Source: General Funds & Sidewalk Funds (Engineering, Construction, and Construction Inspection jointly funded by the City of Peoria and the Village of Peoria Heights).
Construction Cost (Low Bid): \$160,000
