

Before Construction

County Highway #1**Woodford County, IL****Project Scope:**

County Highway #1 is a two lane rural collector that links Illinois Route 89 in Washburn, Illinois to Illinois Routes 116/117 between Roanoke and Metamora. The project was initiated to correct geometric deficiencies and to upgrade the roadway to current design standards. Hermann & Associates was hired to design six (6) miles of County Highway 1. This included: horizontal alignment, vertical alignment, ditch profiles, sizing of culverts, intersection geometrics & grading plans, plan & profiles, and cross sections.

Project Elements:

- Pickup surveys
- Horizontal & Vertical Alignments
- Intersection Layout & Grading Plans
- Hydraulics & Culvert Sizing
- Plan & Profiles
- Cross Sections
